

To check on the arrival of your stimulus payment and your account balance, please call telephone banking at 507-931-3182 or access Online Banking at [www.bankwithpioneer.com](http://www.bankwithpioneer.com).

#### Stimulus Payment Information:

- Any ACH stimulus payments will be processed on Fridays, with an effective date of the following Wednesday until all ACH payments have been paid
- Over 80 million ACH payments were effective this week
- The first batch of stimulus paper checks will be processed this weekend and begin mailing on Monday – roughly 5-7 million checks in this first batch to be mailed over the next week
- They hope to have all payments wrapped up by the end of May
- There may be up to 16 million non-filers (not required to submit taxes) that still need to be processed for ACH payments, with ultimately a small number still needing a paper check

Below is the link to IRS site locations with the most up to date information on stimulus checks and where customers can check the status of their payment or update information if needed. Note the "Get My Payment" link gives the status of payments for people who have filed taxes in 2018 and/or 2019. If you are a non-filer – use the second link below to update desired payment location information. Please read the information on these sites as it provides the proper guidance in each scenario.

<https://www.irs.gov/coronavirus/economic-impact-payments>

<https://www.irs.gov/coronavirus/non-filers-enter-payment-info-here>

With these stimulus checks you should also see two memo lines, one with President Trump's name on it and the other referencing Economic Impact Payment or Stimulus Payment.

A website to validate checks is available, but the information is only updated once per day – so it is not real time. If you question the check or want to validate it, please use the link here: <https://tcva.fiscal.treasury.gov> Click on Check Verification in the upper left side of the page.
